# Brown's® Premium Pigeon Feed

Brown's® Premium Pigeon Feeds are recognized as some of the finest feeds in the industry. They reflect our commitment to clean, high quality feed, made with only premium ingredients. Brown's® manufactures over 30 uniquely different feeds to meet the needs of every type of pigeon fancier from the novice to the professional racer. All our pigeon feeds are packaged in 50 lb. poly-woven bags with eye-catching graphics. We appreciate the confidence our customers have shown in our feeds throughout the years and look forward to continue serving your needs in the future.

## Features:

- Clear Window for Product Visibility
- Eye-Catching Color Graphics
- High-Strength, Triple-Walled Poly-Woven Bags
- 50 lb. Size Available
- Merchandised In English & Spanish

# American Series Brands

## • Park

A selection of high quality grains and peas. These feeds are high in carbohydrates and low in protein.

### Recommended Usage:

Promote and maintain for the life of your pet pigeon.

## • Thrifty

A basic all-purpose feed with minimum protein and maximum carbohydrates.

### Recommended Usage:

For the pigeon fancier that wishes to promote a sound and healthy pigeon throughout the year.

## • Breeder

A perfect blend of high quality grains and seeds create a basic breeding feed.

### Recommended Usage:

Feed freely to breeders after young birds hatch. Continue until youngsters can start feeding themselves.
